TOPIC: Advertisement - Elearning Equipment

Option 1: Create an ad for a piece of technology equipment used in our class.

It can be for a magazine or for a newspaper.

You will need to spend some time investigating what you will need to include to produce an effective ad.

I.E. Pictures / Photos / Logo / Headings / Colour / Backgrounds

Facts - What it does, what it's used for

Words to encourage people to want to buy it.

Option 2: Do the same as above except make your ad for radio or for T.V.

You may need to create a Jingle.

Remember to sell it - make someone want to be desperate to have it
because it is soooooo fantastic!!!
