TOPIC

What Happened The Day You Were Born?

Research as much as you can about what happened on the day you were born.

Record the weight, location, weather, time e.t.c of your birthday and any other interesting events that may have happened.

What happened in the world on the day you were born and/or the year.

Presentation

Present your information as a Mini-Book or brochure. Your researched information should have a title, a contents page, mini headings for each section that you have researched and a cool photo or picture of yourself. Your information should be presented neatly so others may read it easily!
